Non-Completion of Ninth Plan Projects

4907. SHRI K. RAMA MOHANA RAO: Will the Minister of SHIPPING be pleased to state:

(a) whether it is a fact that a number of projects included in the Ninth Five Year Plan could not be completed;

(b) if so, the details of projects which have not yet been completed;

(c) whether it is also a fact that the projects which could not be completed in the Ninth Plan are going to spill over to Tenth Five Year Plan; and

(d) if so, the impact on the financial target for Tenth Five Year Plan?

THE MINISTER OF STATE IN THE MINISTRY OF SHIPPING (SHRI SHRIPAD YESSO NAIK): (a) Yes, Sir.

(b) A list of projects/schemes included in the Ninth Plan and which have not been completed is enclosed as statement (*See below*).

(c) and (d) Some of the projects/schemes included in the Ninth Plan were subsequently reviewed and were either shifted to Non-Plan, weeded out or deferred indefinitely. Some projects/schemes have also been earmarked for implementation through private sector participation. The projects which have spilled over to Tenth Plan will not have any adverse impact on the financial target of Tenth Plan as spill over funds have been kept in view while formulating Tenth Plan.

Statement

List of Projects Included but not Completed in Ninth Plan

S. No.	Name of the Projects
1.	River Regulatory Measures for improvement of draft in Hoogly Estuary at Kolkata Port
2.	Construction of shore-based pilot station at Saugar Island (KDS) at Kolkata Port
3.	Replacement of 2 nos. ship loaders for coal handling berths (HDC) at Kolkata Port

S. No.	Name of the Projects
4.	Construction of berth no. 13 in continuation with existing berth no. 12 (HDC) at Kolkata Port
5.	Procurement of another tug in replacement at Kolkata Port
6.	Replacement of 8 RTGS at Kolkata Port
7.	Replacement of floating crane 'Shravan' at Mumbai Port
8.	Replacement of CT Scanner at Mumbai Port
9.	Replacement of 2 QGCS at Mumbai Port
10.	Expansion of MbPT Hospital at Mumbai Port
11.	Replacement of entrance gate at Prince's Dock at Mumbai Port
12.	Development of Dock Complex at Gamadia Road at Mumbai Port
13.	Construction of quarters at Mumbai Port
14.	Schemes costing Rs. 5 crores or less at Mumbai Port
15.	Replacement of one caisson gate at Hudges Dry Dock
16.	Replacement of two harbour tugs 'Amol' and 'Arvind'
17.	Replacement of common users' pipelines from the manifold of Pir Pau to the marketing storage at Sewree, Wadala
18.	Modernisation of jetties 1, 2 and 3 at Jawahar Dweep
19.	Construction of second berth for handling liquid chemicals/specialised grades of POL Off New Pir Pau Pier
20.	Replacement of 3 Nos. of RTGs
21.	Replacement of 2 Nos. QGCs
22.	Additional Crafts (3 tugs & 2 pilot launches) at Jawaharlal Nehru Port
	(a) Phase-I (one tug+one pilot launch)
	(b) Phase-II & III (Two tugs+one pilot launch)
23.	1 No. Grab Unloader with provision for handling general cargo at Jawaharlal Nehru Port

S. No.	Name of the Projects
24.	CISF Accommodation Phase-II at Jawaharlal Nehru Port
25.	Provision of 10 Nos. Rubber tyred gantry cranes at Jawaharlal Nehru Port
26.	Shallow draft berth for general cargo at Jawaharlal Nehru Port
27.	Provision of two post panamax size quay crane (RMQC) at the existing container terminal of the port
	(i) Phase-I 1 No. RMQC
	(ii) Phase-II 1 No. RMQC
28.	Extension to port craft jetty
29.	Infrastructural facilities for warehousing plots
30.	Area development behind service berth
	(a) Civil works (filling)
	(b) Electrical works
	(c) Railway works
31.	Additional railway line to port
32.	Infrastructural facilities for vehicle exporters
	(a) Civil works
	(b) Electrical works (Phase-I)
33.	Deepening and widening of approach channel to the port
34.	Rehabilitation measures
35.	Dredging of lagoon behind service berth (Phase-II)
36.	Provision of compensation to salt pan lease as per Mumbai High Court Judgement
37.	EU Maritime transport project
38.	Special waterproofing treatment to concrete sheds in BT and roofs of buildings in port operational area

S. No.	Name of the Projects
39.	Widening of main road of the port between container gate and junction near ROB Karal
40.	Further extension to the Container Terminal at Bharathi Terminal at Bharathi Dock
41.	Integrated scheme of extension of S. Q. III and modernisation of E.Q. at Chennai Port
42.	Modernisation of WQ Berths and NQ Berth at Chennai Port
43.	Replacement of Dredger Coleroon at Chennai Port
44.	Acquisition of 1 No. 150 Tons capacity Floating Crane at Chennai Port
45.	Acquisition of 2 No. 32 Tons Bollard Pull Tugs at Chennai Port
46.	Acquisition of 7 Nos. 15 Tons capacity Electric Wharf Cranes
47.	Rubber Tyred Gantry Cranes 6 Nos. (2 Nos.)
48.	Procurement of 1 No. Rail Mounted Quay Cranes-(2 Nos.)-RMQC-1 No.
49.	Additional Container Equipments at extended Container Terminal
50.	Installation of 110 KV Sub-Station at Chennai Port
51.	Development of Transhipment Container Terminal at Vallarpadam at Cochin Port
52.	Providing 3 MVA Diesel Generator Set at Cochin Port
53.	Replacement of Mattencherry Bridge at Cochin Port
54.	Improvement to water supply system at Cochin Port
55.	Modernisation of Port Hospital at Cochin Port
56.	Construction of 4 multipurpose berths in the extended Northern Arm of inner Harbour
57.	Acquisition of land for construction of quarters at Visakhapatnam Port

S. No.	Name of the Projects
58.	Development of new outlets to provide matching facilities to meet the projected requirements
59.	Conversion of existing dredger lay by jetty for berthing cargo ships at Visakhapatnam Port
60.	Modification to outer Harbour layout to improve tranquility conditions
61.	Acquisition of land for development of new outlets
62.	Establishment of a Container Freight Station
63.	Development of an addl. link road from port junction to the industrial by pass road
64.	Shifting of fishing harbour to Bheemunipatnam
65.	Procurement of 2 Nos. grab unloaders for bulk cargo discharge
66.	Procurement of high bollard pull tug as a replacement of tug Sambhavi
67.	Procurement of addl. 4 Nos. of Elec. Wharf Cranes of 20 Ton capacity
68.	Procurement of 4 Nos. locos as a replacement of CLW 11, 9, 8 & 1 of 700 HP Cap.
69.	Procurement of 2 Nos. container quay cranes
70.	Procurement of fire float as a replacement
71.	Extension of OR-I and OR-II for developing a 3rd berth in Inner Harbour
72.	Deepening the port water ways including slope protection
73.	Improvement to Road Transport Network Phase-III
74.	Revamping and upgradation of Port Rly., System
75.	Development of addl. stacking space including reclamation/hard surfacing for stacking bulk cargo
76.	Implementation of environment measures
77.	Construction of quarters and Baracks for CISF
78.	Acquisition of land adjacent to outer harbour

S. No.	Name of the Projects
79.	Land development with associated facilities to the North of new fly over bridge
80.	Construction of multi-storeyed office cum commercial complex world trade centre in the port area
81.	Capacity augmentation of sewage treatment plant
82.	Construction for security arrangements
83.	Construction of Collier Berth
84.	Extension of Fertiliser Berth
85.	Replacement of Mobile Cranes MC4, MC5, MC17, MC18 and MC19
86.	Procurement of launches and barges
87.	Modernisation of Port Work Shop
88.	Modernisation ore handling complex
89.	Productivity improvement measures
90.	Replacement of Dredger GH Durga by Grab Hopper Dredger
91.	Construction of 4th Oil Jetty at Kandla Port
92.	Development of land including roads etc. outside west gate at Kandla Port
93.	Providing additional quarters at Kandla
94.	Construction of roads west of National Highway at Kandla Port
95.	Development/Upgradation of open plots inside/outside cargo jetties
96.	Augmentation of computer based system at Kandla
97.	Dutch scheme (3 Port Support Programme)
98.	Additional facilities for handling crude oil at Vadinar
99.	Upgradation of hydrographic survey equipment
100.	Procurement of 4 Nos. Wharf Cranes 20/25 Tons each in replacement of existing Wharf Cranes

S. No.	Name of the Projects
101.	Development of Residential DC-5 at Gandhidham
102.	Construction of 9th Cargo Berth (Renamed as 17th Cargo Berth)
103.	Modification of Bunder Basin for barge handling at Kandla
104.	Deepening and widening of Sogal Channel
105.	Deepening of approaches to Sogal Channel
106.	Deepening of Navigational Channel in the Northern Portion of Kandla Creek
107.	Construction of Slipway
108.	Construction of flyover bridge for Railway near Kutch Salt and LPG Plant
109.	Providing 1000 KL Desalination Plant
110.	Construction of 12th Cargo Berth (Renamed as 14th Cargo Berth)
111.	Providing training works to minimise situation in Kandla Creek
112.	Multipurpose Berth—development of infrastructure facilities at Vadinar
113.	45 Tons Tug for ESSAR
114.	Construction of 4 lane road from Port to Verna Junction of NH-17 at Mormugao Port
115.	Acquisition of two tugs at Mormugao Port
116.	Replacement of 4 Barge Unloaders at Mormugao Port
117.	Construction of 100 bedded hospital at Headland at Mormugao Port
118.	Strengthening of breakwater at Mormugao Port
119.	Construction of 3 Nos. Mooring Dolphins at Mormugao Port
120.	Acquisition of stacker cum reclaimer at Mormugao Port
121.	Deepening of Navigational Channel and Reclamation
122.	Construction of Flyover Road Network from Gate No. 9 to the bypass road at Tari wada

S. No.	Name of the Projects
123.	Construction of Oil Berth including reception facilities, Paradip Port
124.	Fire fighting Paradip Port
125.	Upgradation of power distribution and illumination
126.	Construction of concrete road
127.	Upgradation of IOHP
128.	Construction of Lighterage Berth
129.	Procurement of Wharf Crane
130.	Construction of Cargo Berth in new dock area
131.	Extension of breakwater
132.	Providing Vessel Traffic Management System, New Mangalore Port
133.	Infrastructure for container/cargo handling equipments, New Mangalore Port
134.	Construction of additional general cargo berth (deep draft multipurpose general cargo berth)
135.	Construction of multi-user jetty
136.	Procurement of Grab Dredger
137.	Port facilities for MRPL expansion (Stage-II)
138.	Revamping/Renewal of ELL Wharf Cranes
139.	Construction of administration office building
140.	Augmentation of water supply facilities at Tuticorin Port
141.	Procurement of 3 Nos. 20 MT Grab Crane Tuticorin Port
142.	Replacement of Rajaji Tug Tuticorin Port
143.	Upgradation of port electrical system
144.	Optimisation of Inner Harbour

S. No.	Name of the Projects
145.	Cutter Suction Dredger of 2000 Cu. M/hr. in replacement of DCI Dredger VII
146.	Cutter Suction Dredger in replacement of DCI Dredger Acquarius
147.	Multipurpose Tug for DCI
148.	Construction of break water and wharf at Mus in Car Nicobar
149.	Construction of residential accommodation for ALHW staff in A&N Islands
150.	Conducting Survey and Investigation in A&N Islands
151.	Construction of residential buildings for shifting of DCE's Office at Kavaratti and Divisional office at Amini
152.	Special repairs to slipway and Dry Dock at Port Blair
153.	Undertaking feasibility study for Sethusamudram Ship Canal Project
154.	Hydrodynamic behaviour of floating breakwaters
155.	Development of marine flyash concrete and evaluation of its performance with respect of physico chemical and biological factors in marine water
156.	Role of shipping activity and ship fouling in tributyltin pollution in some harbours of west coast
157.	National level study on Human Resource Development by NIPM and IPA
158.	Acquisition of 53 vessels of 23.84 lakhs DWT by Shipping Corporation of India. Only 14 vessels of 9.60 lakhs DWT could be acquired
159.	Acquisition of floating Dock by Hindustan Shipyard Limited
160.	Construction of Hostel Block and Faculty quarters at LBS College, Mumbai
161.	Construction of Hostel Block at T.S. Chanakya, Mumbai
162.	Construction of Swimming Pool at T.S. Chanakya, Mumbai

S. No.	Name of the Projects
163.	Addl. facilities and spl. repairs of Jr. and Sr. Hostels at MERI, Kolkata
164.	Renovation of Jahaz Bhavan, Mumbai
165.	Installation of fire fighting system in Jahaz Bhavan, Mumbai
166.	Construction of office building and staff quarters for MMD, Tuticorin
167.	Renovation of Ground Floor, East wing of Nau Bhavan (Identical area), MMD, Mumbai
168.	Automation of remote lighthouses, Phase-I
169.	Establishment of new lighthouse at Nizam Patnam
170.	Establishment of a new lighthouse at Vodarevu (near Chirala)
171.	Establishment of shore based lighthouses at Palk Bay
172.	Establishment of Lighted Beacon at Manchal, A&N Islands
173.	Improvement of lighthouses
174.	Establishment of Coastal Vessels Traffic Service in Gulf of Kutch
175.	Introduction of DGPS (Differential Global Posting System) Phase-II
176.	Establishment of new lighthouse at Kakinada
177.	Replacement of lighthouse tender vessels M.V. Sagardeep
178.	Establishment of Lighted Becon Roson Point
179.	Construction of permanent Terminal at Gaighat, Patna
180.	Construction of permanent Terminal at Pandu Gowhati
181.	Construction of permanent Terminal at Varanasi
182.	Acquisition of land and construction of 11 Terminals on National Waterway-3
183.	Construction of Inland Navigation Institute at Patna
184.	Procurement of Cotter Suction Dredger
